Note: The number shown in each column above represents the calendar day for which readings are scheduled, for the respective cycle. For example, in January, meters in cycle 1 are scheduled to be read on Monday, January 4. Meters not read within 2 days after the scheduled reading date will be estimated.

Note: In addition to the Cycle number, each account is identified with a Period Code of 0,1 or 2. A zero indicates an account read monthly. A "1" is an account read bimonthly, in the odd numbered months. A "2" is read in the even numbered months.
